Ayan Ali Khan

--

Kolkata, West Bengal, India

Summary

I am a passionate second-year Engineering Student pursuing my B. tech in Information Technology. Eager to learn and explore in the world of technology. I have learned HTML, CSS, C, C++, Python and am currently expanding my knowledge in Web-development using JavaScript, Next.JS, TypeScript, secured 91.6% in secondary and 80% in Higher-Secondary education. Dedicated to growing in the tech industry and building a successful career as a software developer. I am also passionate in Astronomy and Experiments. I am eager to connect with like-minded individuals, industry professionals, and mentors who can guide me on my journey. Let's connect and collaborate!
